PROFILE:

Passionate and highly motivated IT enthusiast with a strong foundation in web development and modern technologies. Currently enrolled in the Governor Sindh IT Initiative, gaining hands-on experience in front-end and back-end development. Over the past year, I have mastered HTML, CSS, TypeScript, Next.js, and Tailwind CSS, while actively expanding my expertise in Python. I have successfully built multiple projects, including a banking system, currency converter, and an advanced UI/UX hackathon project, showcasing my ability to develop innovative solutions. With a strong problem-solving mindset and a continuous learning attitude, I am eager to contribute my skills in a dynamic tech environment through an internship or full-time role.

EDUCATION:

Bachelors of Science : Textile Engineering

Karachi, Sindh

National Textile University
